Test Case

Step	Input	Expected outcome
1. User selects “+”	Clicking the “+” symbol under product image	Number in the middle should increment with the amount of clicks
2. User selects “-”	Clicking the “-” symbol under product image	Number in the middle should decrement with the amount of clicks
3. User selects cart	Clicking the cart symbol at the top right of the page	Website should redirect user to their cart, showcasing all items and quantities
4. User selects “PROCEED TO CHECKOUT”	Clicking the button that says “PROCEED TO CHECKOUT” at the bottom of the cart page	Website should redirect the user to sign in, create an account, or payment options
5. User selects “SIGN UP”	Clicking the button that says “SIGN UP” at top of page	Website redirects the user to a sign up form page where the user can create an account
6. User selects “SUBMIT TICKET”	Clicking on the page that says “SUBMIT TICKET” at the top of the page	Website should redirect the user to fill in their issue with the pre suggested problem ex. product freshness, product quality.
7. User selects “SIGN UP”	Clicking the button that says “SIGN UP” at top of page	Website redirects the user to a sign up form page where the user can create an account
